Class Times and Descriptions

6/14 2:00-3:00pm 6/15 10-11am

Comprehensive Automotive Mobility Solutions for Health Professionals

Instructor: Dutch Te Slaa

Sponsored by I-Med Mobility .1 CEU \$50 per class

Description: This continuing education course contains a range of topics pertaining to personal automotive mobility solutions. It will assist the allied health care practitioner in understanding and advocating for individuals seeking automotive vehicle modification solutions, while also teaching practitioners about the unique process involved in evaluating, selecting and purchasing appropriate automotive options.

6/14 8:30-11:30am 6/15 1:00-4:00pm

"Don't Just Sit There..."

Instructor Andy Hicks

Sponsored by Altimate Medical .2 CEU \$75 per class

An assistive technology seminar on weight bearing and movement sponsored by Altimate Medical Inc, manufacturer of EasyStand® standing products. Attendees of this course will understand why children need frequent position changes and how movement benefits their cognitive and physical development. They will also understand the problems associated with Metabolic Syndrome and how movement can help maintain their overall health into adulthood. Information on writing successful letters of medical necessity for assistive technology will also be discussed.

6/14 12:30-4:30pm 6/15 8:30-12:30pm

"Pressure Ulcer Management: Getting the Assessment Completed"

Instructor W. Darren Hammond

Sponsored by Roho Institute .4 CEU \$75 per class

Utilizing a didactic and case based approach, this course for health care professionals in clinical practice, will be an interactive program, which will allow participants to focus on the assessment of pressure ulcers. This course reviews the normal physiology of healing and discusses the extrinsic and intrinsic factors leading to pressure ulcers. Included in this course will an overview of the specifics found in the assessment of pressure ulcers. In addition, a review of the terms and definition for pressure ulcers including the new NPUAP staging guidelines.
